ATLANTIC SOUNDSCAPES

MUSIC at the island - The house band (1/2)

Budam and The Ghost from the Popkomm program will perform all day/every day @ the island

THE GHOST

Electro-pop gems, that are as pleasing on the ear as on the brain. If you like your indie to be about more than a catchy chorus and actually like a bit of substance then The Ghost are for you.

ATLANTIC SOUNDSCAPES

MUSIC at the island - The house band (2/2)

Budam and The Ghost from the Popkomm program will perform all day/every day @ the island

BUDAM

This is theatrical indie pop. Budam has a deep and seductive voice. On stage he's wild and untamned. His singing ranges from animalistic growls to sensual sighs against the background of angelic harmonies and murderous rhythms.
